SUMMARY: I recently completed my studies at Digital Crafts' full stack coding boot camp, specializing in Web Development with JavaScript and related technologies. Throughout the program, I honed my skills in PERN stack and CRUD application development, while also gaining valuable experience collaborating in a team setting and adapting to new skills efficiently.

TECHNICAL SKILLS:

JavaScript, HTML/CSS/Bootstrap, Git/Git Bash, React.js, React-Redux, PostgreSQL, Sequelize, Node.js, Express, Bootstrap

Projects:

Joke Generator

Link: https://react-joke-app.onrender.com/

Repo: https://github.com/wrp90/react-joke-app

Technologies: JavaScript, React-Redux, bcrypt, React-Router, React-Bootstrap, Express, Postgres

- A solo React app that generates a random joke based on the user selection. This app has a full login system so users can save their favorite joke, delete or post it to twitter!

GitHub User Search

Link: https://wrp90.github.io/github-user-search/

Repo: https://github.com/wrp90/github-user-search

Technologies: React, JavaScript, React-Router, React-Redux

- This was a solo project that allows you to search through the GitHub user database to pull up info about any GitHub user.

Movie Search

Link: https://wrp90.github.io/movie-search/

Repo: https://github.com/wrp90/movie-search

Technologies: React, JavaScript, React-Router

- A solo project that searches the OMDB API and pulls back info about any movie the user searches.

WORK EXPERIENCE

Pei Wei in Kingwood TX, Dec 2009 – current, Lead Wok Cook.

- Worked all the way up from front of the house worker to lead Wok Cook.
- Performed manager-specific duties such as closing, completing produce order and writing schedules.
- Gained valuable interpersonal skills interacting with guests and coworkers.

EDUCATION:

Bachelor of Science, Mathematics: University of Houston, Houston Texas.   **Dec 2019**

Full Stack Web Development Bootcamp: Digital Crafts.   **June 2023**
